# Professional Speaker's Profile

## Hector Ramos

Genuine + Professional + Integrity

He recently co-organized through the ACA (American Creativity Association) and SMU (Singapore Management University) the 20th ACA International Creativity Conference in Singapore with over 190 delegates from 28 countries and over 70 speakers ([www.aca2008Singapore.com](http://www.aca2008Singapore.com)).

At the International Centre for Studies in Creativity, Buffalo, New York, he was awarded the ICSC alumni foundation achievement award. He also organized the International Conference Expert to Expert to establish a learning community for alumni, students and professionals in creativity. This event attracted over 75 professionals.

As a creative thinking consultant, he leverages on his professional experience in operations and marketing in the publishing and environmental sectors in South East Asia. He founded and is currently heading the Singapore International Affiliate of the American Creativity Foundation in Singapore to promote the study and use of creative thinking in Singapore. Hector is fluent in English, Spanish, French and Italian. He has also done advanced studies in theology (Singapore and School of the Prophets, Malaysia).
