Danny Ker is a Principal Consultant with TUV-SUD-PSB Corporation, he specialised in the area of Total Quality Management, Business Excellence Management, and Supply Chain Management, he has a total of over 25 years' of experience in many aspects of business excellence management and is currently pursuing his Doctorate of Business Administration from the University of South Australia (UniSA).

Currently, he holds a Master of Science degree in Total Quality Management/Business Excellence from Sheffield Hallam University, United Kingdom, a Bachelor of Business degree in Supply Chain Management from the Royal Melbourne Institute of Technology (RMIT), Australia, a Diploma in Materials Management from North London Polytechnic, United Kingdom and a Certified Quality Manager by the Singapore Quality Institute. He is also a registered Lead Auditor with the International Register of Certificated Auditor, United Kingdom, and a registered Associate Environmental Auditor, under the Environmental Auditors Registration Association, United Kingdom. He is currently an Associate Fellow of the Singapore Institute of Purchasing and Materials Management and a National Singapore Quality Award Assessor (similar to MBNQA & EFQM models) who has assessed several SQA applications.

In his profession since 1992, Danny has developed and implemented consultancy and training programs for large business, manufacturing and service industries, government agencies and. He started off as a Planner with Olivetti Singapore for 6 years and was sent to Olivetti's Headquarter in Ivrea, Italy for assignments. He joined Sony Precision Engineering Center, Singapore as a Manager for their Device Technology & Value Analysis Center in Singapore and was sent to Tokyo, Japan on quality programs. He is now a Certified Quality Trainer by Sony Corporation, Japan and a Certified Professional Trainer by the International Professional Managers Association, United Kingdom. He received a total of 5 promotions during his tenure with the companies.

As a Principal Consultant, he has trained more than 6,500 professionals in various programs such as teambuilding, creativity & innovation, quality improvement, problem-solving techniques & tools...etc and has worked with various large organizations such as PT Semen Cibinong (HolCim Cements), PT Pulau Sambu, PT Bank Dharmala, John Hancock Assurance, Great Eastern Assurance, Dunlop Singapore, Singapore Airlines Terminals Services (SATS), Housing Development Board (HDB), Sarawak Power Station, Sejangkat Power Station, Public Utilities Board (PUB), Singtel, National Parks Board, National Skin Centre, Mobil Oils Singapore, Philips Electronics Technologies Singapore, Kenwood Electronics Malaysia, SingTel Singapore, Gardenia Foods, NTUC Income, American Insurance Assurance (AIA), VISA International (VISA Cards), GongShang Primary School, ...etc

One of his biggest challenges was that he had turnaround an Indonesian plantation company with low profitability into a multi million-dollar company. As of today, he is appointed as a Business Excellence Advisor to this company. Evidence is published by the Indonesian company's newsletter.

On top of this, Danny received the prestigious Parent Support Group's award in 2003 by the Ministry of Education for assisting GongShang Primary School to be the first primary school in Singapore in achieving various certifications and awards, he was featured in the Ministry of Education's COMPASS magazine for contribution to schools on "World Class Education" and currently a Quality Advisor to the school's quality excellence program.

Danny is a Certified Private Education Organisation teacher by the Ministry of Education and he is currently conducting courses on Diploma for Quality Excellence and Quality Assurance at the PSB Academy.
