Mechanical Engineering (Hons), National University of Singapore
Head & Deacon, E-Sword Ministry, COS(B)
Founder, Singapore Trainers Network
Director and Principal Consultant, Luminaries Lab Pte Ltd

Training Experiences

Mr David Lee is known to be one of the youngest authorities in the training industry. He has trained, coached and spoken to thousands in Singapore, Japan, Malaysia, Thailand, Indonesia and China. His participants include professionals such as top management, doctors, lawyers and lecturers from MNC to top institutions. David is invited for his expertise in three areas namely *Professional Presentation Mastery*, *Influential Leadership* and *Transformational Business Management*.

Leadership Experiences

Within the first five years of corporate work, he has headed regional businesses and led top management from a group of companies with businesses from Education, Travel to F&B. During which he has also led international conferences and exported local training overseas. He was appointed as director over a few companies. Thereafter he becomes the Principal Consultant of Luminaries Lab Pte Ltd and is appointed as the President of the Association of Professional Trainers, Singapore.

Academic Qualifications

In addition to his Honours Degree in Engineering from NUS, David is an accredited Human Behaviour Consultant with the Leadership Institute of America. He is also a Certified Professional Trainer with the International Professional Managers Association, UK. His belief in training has led him to become a coach for trainers and speakers.

What makes Mr David Lee a well-liked speaker? It is his ability to engage his listeners and fulfill desired training objectives. He does not stop at educating minds but often moves on to touch hearts and engage commitments. Though Mr David Lee is training corporate clients, he is still a sought after speaker among the schools and institutions for his ability to inspire the young people. Apart from training and speaking, he is involved in initiatives to raise a new generation of transformational trainers and leaders.
