## John Teo

John has more than 26 years of working experience in senior management and in sales and marketing of technical products and services. He has worked for an MNC, various SMEs and was a partner in a precision engineering company. He was instrumental in a SME becoming public listed in 1989. He can therefore relate to real life experiences to those subjects that he is training or consulting.

Being the President of the Singapore Branch of the International Brotherhood of Magicians (HQ in St Louis, USA), John frequently uses magic in his lectures and presentations not only to enliven the audience, but to bring out important learning principles in a fun way.

John trains in this region in topics such as Leadership, Creativity & Innovation, Team Building, How to Handle Difficult People, Developing a Win-Win Mindset, Managing Change, Effective Problem Solving, Project Management, Benchmarking, etc.

His clients include Gemplus Manufacturing (Asia), Ambank Group (Malaysia), Siemens Hearing Instruments (Batam), National Library Board, McDonalds Asia Pacific, Neptune Orient Lines, Panasonic AVC Networks Singapore, Premas International, Jurong Shipyard, Housing & Development Board, Land Transport Authority, Ministry of Defence, etc.

Come and experience the magic of John's training and you will soon discover why John is a much sought after trainer in this region.
