Sam S. Wadia is a trusted advisor to heads of families and businesses.

Sam's clients include mature executives, teachers, bankers and accountants. He coaches them on ways to accumulate wealth for cherished life goals while lowering risks and costs.

Licensed by the Monetary Authority of Singapore, Sam advises 7-figure global portfolios. His motto is "Research Reduces Risk".

An educator in the art of value investing, Sam conducts seminars simplifying Warren Buffett's stock market approach as well as other key personal finance issues people face. He has taught the subject of Investment Analysis & Portfolio Management to Masters-level students at the University of Wales.

He has earned a Master's Degree in Commerce (Banking & Finance) and is also a Certified Financial Planner.

Sam has been interviewed on Mediacorp Radio 93.8 LIVE and his thoughts have been published in The Straits Times, The Edge magazine and the iFast Insight magazine. He has also been invited to speak at the Singapore Institute of Management.

In his leisure time, Sam engages in adventures ranging from yoga and guitar lessons to pro bono volunteer work. His current pet project is a money tips & ideas website www.wealth.com.sg
