Mr Yeo Tian Seong graduated with a BSc Hons degree from Victoria University of Wellington, New Zealand. He obtained a Certificate in Small Business Administration from Singapore Polytechnic. He also obtained a Certificate in Information Technology (Multimedia) from Teaching and Learning Centre, Ngee Ann Polytechnic and is experienced in Computer-Based Training, courseware design and developments.

Mr Yeo has 7 years of experience as an in-house trainer with Mindef and has been conducting training both locally and overseas. His training roles included the design and development of training courses; conducting interviews to select suitable candidates for training courses; leading trainees to various overseas destinations to conduct the training; assessing trainees' performance; certifying trainees' competencies and writing their appraisal reports.

Mr Yeo is a Certified Professional Trainer, a Certified People Developer Consultant and a Certified People Developer Assessor, as well as a life coach. He is also a Certified Trainer for John C Maxwell's "Developing the Leader Within You™". He now owns his own learning company, Apcot International Pte Ltd and regularly organises and conducts workshops and training sessions for corporations and individuals. He is result-focused and believes in helping organisations in developing people to achieve their full potential. He has facilitated training sessions and workshops with the Ministry of Manpower, IDA, NTUC, M1, SAS Pte Ltd, Sembcorp Industries, Chartered Silicon Partners, Chartered Semi Conductor, Yen Lee Fireweld Pte Ltd, Intermech Machinery Pte Ltd, Brostrom Tankers Asia Pte Ltd, Motan Pte Ltd, Indo-Chine Group, EPS Computer Systems Pte Ltd, Singapore Polytechnic, National University of Singapore and others.
